Try Out Date - Sunday, May 21st

Those who are unable to make the tryout date will be allowed to schedule an alternate tryout date. Let the front desk know and they will work to arrange another date and time.

We anticipate teams up to Level 3 this season. The owners of the gym will make all squad decisions along with the coaching staff. Teams will be built to be the most competitive within their prospective division. We must fill certain positions for each squad. For example, a certain number of bases and flyers for each team. We will place cheerleaders on teams based on their overall abilities and skills, and where we feel they will be most successful and have the best experience. Their skill level will be determined based on their abilities as an overall cheerleader not just a few individual skills.

Tryout results will be available May 23rd. It is our goal to place every athlete on a team. However, if your athlete is not placed on a team we will refund ½ your tryout fee. Our first parent meeting will be May 24, 2017. Exact times will be determined after team placements. Please note your first payment will also be due on this date May 24, 2017.

PRACTICE

Your cheerleader will attend two cheer practices with their team per week as well as a team tumbling block. Once competition season starts the tumbling block may be utilized to prepare for a competition or to adjust the routine as necessary due to an injury. Competitive cheer is a team sport and all athletes are required to attend all practices for their squad. Practice clothes with approved white cheer shoes must be worn at all practices. Hair must be worn up with a practice bow. For the safety of all cheerleaders; jewelry, acrylic nails, and long fingernails are NOT allowed.

SUMMER CHEER CAMP

Each cheerleader will participate in a MANDATORY cheer camp/skills clinic June 12-17, 2017. Once teams are announced final details/times will be released. If you have an unavoidable schedule conflict with these dates, please contact Nevajane Tuggle @ 678-735-0271 as soon as possible.

CHOREOGRAPHY/SKILL CLINIC

Each cheerleader will participate in a MANDATORY choreography/skills clinic tentatively set for June 19-24, 2017. Once teams are announced, final details/times will be released. If you have an unavoidable schedule conflict with these dates, please contact Nevajane Tuggle @ 678-735-0271 as soon as possible.

Practice Attire

Each cheerleader should be dressed in proper dress attire, cheer shoes and hair up with bow in for each practice. All bras, sports bras should be covered at all times in the gym.

Competition Dress Code

During each competition, you are representing your gym - JUMP TNT- the entire weekend. Arrive at the venue in full uniform with your hair up and bow in. You may apply your make-up once in the venue if you wish. After competing you must remain in full uniform. You may wear your warmups over your uniform, but please no sweatshirts or other jackets, etc. You may not take your hair down. It must remain as it was for competition with your competition bow in. At awards ceremonies, you must be in full uniform. We ask you not to wear your warmups at awards, and please do not have personal belongings such as backpacks, cell phones, etc. with you at the award ceremony.

Attendance

100% dedication is expected to your team. ALL ABSENCES must be cleared by your coach in advance. We DO allow pre-approved absences in the summer for your family vacations. Please contact your coach immediately upon placement to have your vacation dates approved. Excused absences include vacation plans cleared in advance by your coach, mandatory school events that receive a grade (must provide a note from the school), contagious sicknesses, and unexpected family emergencies. To keep the team's best interest in mind and for safety of the team, any athlete absent for any reason – excused or unexcused - two weeks prior to competition may be removed from the routine for the upcoming competition. Excessive absences or absences not cleared with your coach may result in dismissal from the team for the remainder of the season without refund. This is a team sport and every athlete should make every effort to attend every practice.

Absence Approval procedure

A parent must request an absence, by email, to their head coach at least 2 weeks prior to the requested absence. Emails received with less than 2 weeks of the event will result in an unexcused absence. Your request does not excuse the absence. The coach will respond if the absence is considered excused or unexcused. There are no absences permitted one week before a competition or two weeks before a National competition.

Tardiness

You are considered tardy if you are not on the floor “**Practice Ready**” when practice begins. (Practice Ready means you show up wearing the proper practice attire, hair up and shoes on.) Excessive tardiness may result in dismissal from the team for the remainder of the season without refund as this hinders a productive and effective practice.

If your cheerleader misses more than one practice in a row due to illness a doctor's note is required. It must contain detailed information about her illness and length of recovery. As soon as you become aware your athlete will be missing a practice due to illness, please contact the coach immediately to allow them to find a fill in for practice.

If your athlete is injured at home or school, etc., please contact your coach immediately. The coach will need to plan and rechoreograph based on the injury and length of recovery time. Once the athlete has recovered, she may or may not be placed where she was before her injury. The coaches have complete discretion in replacing the athlete for the upcoming competitions. Cheerleaders should be completely cleared for tumbling, stunting etc. to practice with their team 2 weeks in advance of any competition.

Social Media

No one is allowed at any time to post JUMP TNT All Star music, choreography, routines, stunts, etc. on the internet until after our competition season is over. This includes ALL social media, text messaging, emailing, or any other electronic platform.

Please always be positive and never speak or post negatively about any decision/result inside or outside the gym. Respect and good sportsmanship are core values of our program and we strive to instill them in our cheerleaders. Profanity, abusive language and inappropriate pictures or behavior are not allowed from cheerleaders or parents, and will result in dismissal from the program without refund. This includes both in person as well as social media.

Cheerleaders and parents who fail to obey the JUMP TNT Cheer Policies and Rules outlined above will be dismissed from the team without refund.

COMPETITIONS

All competitions are mandatory for the athletes to attend. We may add or delete competitions as we see necessary. From the months of November through April we attend, on average, one competition per month. As a gym, we have chosen to have all competitions within driving distance to avoid the additional cost of plane tickets. We will not know exact competition dates and locations from the event coordinators until the beginning of June. As soon as our schedule is finalized, we will notify the families immediately. At some of the out of town competitions all squad members must stay at the hotel reserved by the gym and are the financial responsibility of each family. Good sportsmanship is expected throughout the entire trip - the venue as well as the hotel.

Please expect and plan for the addition of extra practices two weeks prior to a competition. There may be other extra practices called throughout the season due to an injury or a new cheerleader on the team. Each of these practices is added at the discretion of the team coach and is mandatory for your athlete.

GYM RULES/EXPECTATIONS

There is no food or drink allowed on the mats or inside the gym area. Only approved cheer shoes should be worn on the mat that have not been worn outside. Cheerleading practices are closed to parents. Inappropriate conduct or comments from a parent or child may affect their child's ability to continue on a JUMP TNT All-Star squad. Our gym requires good sportsmanship and character. Appropriate behavior on and off the mat and positive representation of the gym is expected at all times. Cheerleaders and parents will not use inappropriate language in the gym or participate in any negative discussions about a JUMP TNT All-Star cheer member or coach. We encourage a very positive attitude for these young ladies. Any violation of team rules may result in dismissal from the team for the remainder of the season without refund.
