Competition Dress Code

During each competition, you are representing your gym - JUMP TNT- the entire weekend. Arrive at the venue in full uniform with your hair up and bow in. Attendance

100% dedication is expected to your team. ALL ABSENCES must be cleared by your coach in advance. We DO allow pre-approved absences for your family vacations. Please contact your coach immediately upon placement to have your vacation dates approved. Excused absences include vacation plans cleared in advance by your coach, mandatory school events that receive a grade (must provide a note from the school), contagious sicknesses, and unexpected family emergencies. To keep the team's best interest in mind and for safety of the team, any athlete absent for any reason – excused or unexcused - two weeks prior to competition may be removed from the routine for the upcoming competition. Excessive absences or any absence not cleared with your coach prior to practice may result in dismissal from the team for the remainder of the season without refund. This is a team sport and every athlete should make every effort to attend every practice.

Absence Approval procedure

A parent must request an absence, by email, to their head coach at least 2 weeks prior to the requested absence. Emails received with less than 2 weeks of the event will result in an unexcused absence. Your request does not excuse the absence. The coach will respond if the absence is considered excused or unexcused. There are no absences permitted 7 days before a competition or 14 days before a National competition.

Tardiness

You are considered tardy if you are not on the floor “**Practice Ready**” when practice begins. (Practice Ready means you show up wearing the proper practice attire, hair up and shoes on.) Excessive tardiness may result in dismissal from the team for the remainder of the season without refund as this hinders a productive and effective practice.
